

## **Improve Growth Community Job Portal: Connecting Talent with Opportunities**

### **Introduction:**

Welcome to the Improve Growth Community Job Portal, where talent meets opportunity. Our platform is designed to facilitate connections between employers seeking top talent and job seekers looking for their next career opportunity. With a user-friendly interface, advanced search capabilities, and flexible pricing options, we provide a seamless and efficient solution for recruiting and job hunting.

### **Services Offered:**

#### **Job Listings:**

Employers can post job openings on our platform to attract qualified candidates. Job listings are visible to our community of job seekers, ensuring maximum exposure for employers.

#### **Advanced Search Filters:**

Job seekers can filter job listings based on criteria such as location, industry, job type, and salary range. Advanced search options make it easy for job seekers to find relevant opportunities that match their preferences and qualifications.

#### **Profile Creation:**

Job seekers can create personalized profiles showcasing their skills, experience, and career objectives. Profiles are visible to employers, allowing them to proactively reach out to qualified candidates.

#### **Application Management:**

Employers can manage job applications efficiently through our platform. Features include application tracking, candidate communication, and interview scheduling tools.

#### **Flexible Pricing Packages for Employers:**

Employers can choose from a range of pricing packages to suit their recruitment needs. Packages start at €10 per month per listing for a 30-day duration. Additional package options offer discounts for bulk listings and extended durations.

#### **Additional Features for Employers (Premium Package):**

##### **Job Panel Listings:**

Premium package members can post their job listings directly within our Job Panel, gaining additional visibility and exposure to our community of job seekers.

##### **Event Hosting:**

Premium package members have the opportunity to host events on our platform to promote their job openings and engage with potential candidates.

##### **Access to Consultants and Members:**

Premium package members can leverage our pool of consultants and community members to expand their network and reach a larger audience of qualified candidates.

##### **Benefits for Employers:**

Reach a targeted audience of qualified candidates within the Improve Growth Community. Increase visibility and exposure for job openings through our platform. Streamline the recruitment process with advanced search filters and application management tools. Choose from flexible pricing options to accommodate varying recruitment budgets and needs.
